PUBLISHED BY AUTHORITY

No. 429] NEW DELHI, WEDNESDAY, OCTOBER 15, 1952

MINISTRY OF COMMERCE AND INDUSTRY

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 15th October 1952.

Subject :—POLICY FOR JULY—DECEMBER, 1952 FOR CERTAIN ITEMS.

No. 110-ITC (P.N.)/52.—In the policy book for July—December, 1952 the policy for certain items was left over for later announcement. The decisions taken in regard to the policy of some of those items are indicated in the Annexure to this Public Notice. The entries in the Annexure follow the order of those given in Appendix 'A' to the Red Book for the period July—December, 1952.

2. Applications should be made in the prescribed form and manner to the authorities indicated against each. No last date has been prescribed for submission of applications but it is in the interest of applicants themselves to make applications immediately and in any case not later than 30 days from the date of issue of this notice.

3. The validity period of all licences irrespective of the date of issue will be upto the 30th June 1953 where licences have six months' validity shown in column 5. In other cases the licences will be valid for twelve months or eighteen months from the date of issue as shown under the same column.

Price annas 1 or 1½d.

(2273)

Annexure to Public Notice No. 110-ITC (P. N.)/52, dated the 15th October, 1952

(Policy for July—December, 1952 for certain items)

(Gen) on imports of parts or 10% (Gen) on imports of complete motors.

(ii) 100% (Soft) on imports of parts or 10% (Soft) on imports of complete motors.

specifications of such motors in their applications for licences. A copy of the application for the import of the Plant and Machinery should also be sent to the Development Officer (Gen. & Elect) Shah-jehan Road, New Delhi for scrutiny. The particulars of the motors, if approved, will be entered on the licence when granted.

2. The specifications of motors should be given under the following heads :—

(1) Type of enclosure.

(b) Voltage.

(c) Horse power.

(d) Speed (R.P.M.)

(e) Other special characteristics, if any.

3. Importers are warned that if they fail to give in their applications the specifications and quantities of bannel motors which they desire to import as integral parts of Plant and Machinery and if in consequence, the licence issued does not bear any indication thereof, they run the risk of the consignment not being allowed clearance by the Customs authorities.

4. Such motors can also be imported as integral part of certain machinery imports of which are covered by O. G. Ls. A motor can be regarded as integral part when the motor shaft is directly coupled to the driving mechanism. While there is no objection for such imports being made, importers are required to apply to the Collectors of Customs for clearance showing the number and precise specifications of the motors involved, as required

(1)	(2)	(3)	(4)	(5)	(6)
					in para 2 above and endorse a copy of the same to the Development Officer (Gen. and Elect.), Shahjehan Road, New Delhi for scrutiny.

photographic materials falling under these s. nos. for the import of photographic chemicals from the soft currency sources only. Licence holders who wish to take advantage of this should apply to the Jt. G.C. Imports, Bombay whether or not the licences were issued by him, enclosing their July-Dec. 1952 licence for photographic goods and materials and chemicals falling under s. nos. 22—31/V with a statement indicating the value for which they wish to utilise the licence for photographic goods for the import of photographic chemicals. A list of chemicals (which is not in the prohibited category) which the firm wishes to import should also be enclosed. The decision of the J.C.C.I., Bombay as regards the extent to which this permission would be given will be final.

(iv) It has also been decided that not more than 2½% of the face value of the General and Soft currency licence will be valid for the import of following accessories from the area concerned regardless of their classification.

- (a) Dark Room Safe Lightfilters.
- (b) Dry mounting irons.
- (c) Dry mounting tissues.
- (d) Tank, Developing (other than rubber, porcelain, earthenware, plastic or stainless steel).
- (e) Flash attachment for cameras.

† is not necessary to present the licences to any licensing authority for endorsement of this concession.
